

Accessible Information

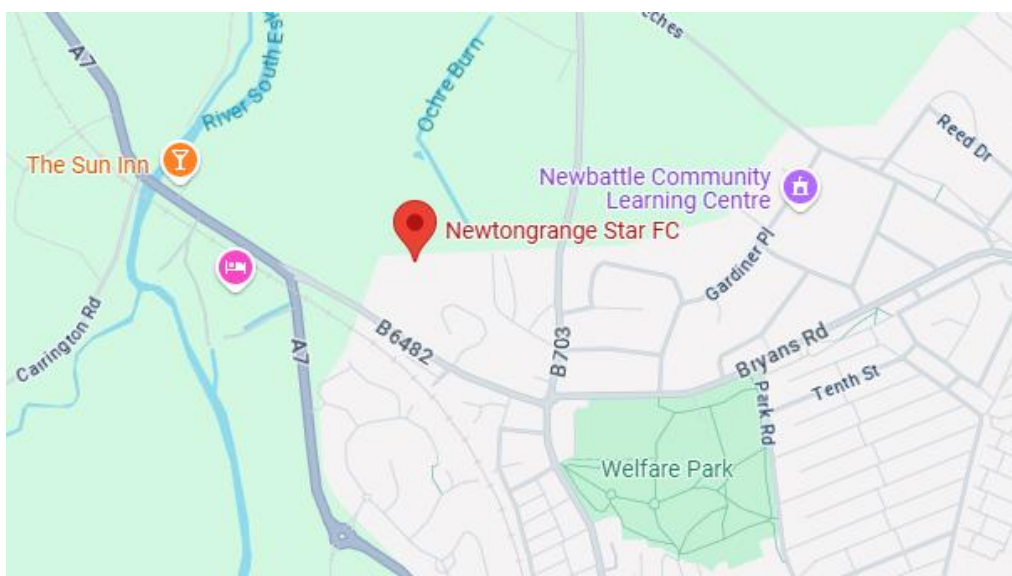

June 2026

The Appointed Disability Access Officer for the club is **Nick Frankland**, with contact details as follows:

Nick Frankland – M: 07941 028458 – n.frankland@btinternet.com

The Club's address is below with further contact details on the Club website - [Contact US – Newtongrange Star](#):

Newtongrange Star FC, 14 Dalhousie Road, Newtongrange, Midlothian, EH22 4NG

Directions:

Car - if travelling to the ground by car, exit the Edinburgh bypass onto the A7 at the Sheriffhall Roundabout, continuing on the A7 until passing The Sun Inn as shown on the map above, then exit onto the B6482.

Bus – if travelling by bus, the Club is served by LRT bus 29 with stops in both directions on the B6482.

Train – if travelling by train, ScotRail trains serve Newtongrange station

Accessible parking - spaces (x2) located adjacent to the main Club car park, immediately outside the Newtongrange Star Social Club. A space can be booked by contacting the Club's Disability Access Officer as noted above. In the unlikely event of both spaces being booked, further parking provision can be arranged.

Entrance to the ground - upon arrival at Newtongrange Star, access to the ground is via a flight of steps however to the left of the steps is an accessible tarmac ramp (suitable for wheelchairs) taking you to the main entrance, with paved solid surface access to the Accessible Viewing area then clearly signed inside the ground.

The Club has the following provision for spectators who are disabled:

- A designated **accessible WC** within the toilet block in the ground which is clearly signed, and which contains an emergency alarm.
- **Accessible catering** the Club pie hut serves a range of hot and cold snacks, along with hot and cold beverages. There is no drop down counter currently in place, but the Club offers an ordering service as required. This can be arranged by contacting the Disability Access Officer – details above.
- **Accessible viewing** areas including provision for a personal assistant in front of the main spectator enclosure, which are clearly signed as you enter the ground. Upon entering the ground, turn left at the pie hut, proceed to the corner of the pitch, and turn right to the accessible viewing areas which are clearly marked. The accessible viewing areas are suitable for wheelchair users, whilst those with mobility challenges will also be able to make use of them, or the main spectator enclosure as appropriate.

Approved by the Committee
